#### IV. COMMITMENT

Serious tournament play requires real commitment from team members.

This commitment is in many forms:

- A. Time: Requirements are substantial. If you are selected for a tournament team you can expect to participate in at least 5 tournaments between March and October/November and at least twice that number of team practices. Team members must be willing to commit to their teammates and sponsor that they can give the necessary time and effort to the team throughout the entire season.
- B. Financial: Although X Fire will provide substantial financial support to the teams, you can expect that you will have to bear some of the costs. Among the costs you should be prepared to pay are:
  - a. Travel and lodging (if necessary)
  - b. Paint – some paint may be provided/subsidized by the sponsor but you should expect to pay for most of your paint
  - c. Tournament fees – the sponsor expects to provide most of the tournament fees.
- C. Behavior: Team X Fire members are expected to represent their sponsor in the best possible way at all times both on and off the field. You are expected to show good sportsmanship and courtesy at all times. If you cannot control your temper, attitude and language then Team X Fire is not for you.

#### V. OTHER

X Fire Paintball expects to sponsor several teams for the coming paintball season. Tryouts are held about the end of February. X Fire Paintball expects that its sponsored teams will be competitive in their respective divisions, will represent X Fire Paintball in a positive way and will have fun doing it.

As with any sponsorship program, X Fire reserves the right to change, modify or eliminate its sponsorship at any time without notice. X Fire also reserves the right, at its sole discretion, to terminate the sponsorship of any team or individual at any time.
